

MISSION PURIM

Good morning Agent Shushanberg. The woman you are looking for is Esther Achoshveroshakov. She is known to be well positioned in the government. We have discovered through our sources in the capital that she has ties to the resistance. Upon learning this we had our man there Mordecai Benyamini on constant watch. Unfortunately he has not been able to make direct contact or turn her to support the opposition. Your mission, should you decide to accept it, is to make contact with Esther and encourage her to influence the King. To make contact with Esther you will need to use her code name **Agent Hadassah**. She will only talk to you if you have fasted for three days so you might want to eat the contents of this package before your mission. As always, should you or any of your Mission Purim Team be caught, the secretary will disavow any knowledge of your actions. This message will self-destruct in five seconds.

Good Luck. *Tizku LaMitzvot* and have a wonderful Purim.

Agents Adina, Avi, Yadid, Yishama, and Emunah
